

PRODUCTION
SERVICE
NETWORK

Updated Oct. 12, 2021

Live action filming is underway in most major film hubs worldwide. Directors, producers, stakeholders and talent are traveling to select foreign film sets, often with paperwork facilitated by PSN Partners. Remote streaming workflows with low latency are further enabling the creation of content with our boots on the ground production service in 50 territories.

[Click to listen and read about positive producer takeaways of working during the pandemic](#) in a Screen Daily webinar.

[Click to read about remote shoots that don't look it](#) - all executed by our PSN Partners during the pandemic.

[Click to consult budgetary considerations](#) when preparing a production brief and bid to film abroad during the pandemic.

[Click to review safety measures](#) PSN Partners are taking to uphold client, talent and crew confidence in live action filming.

[Click/scroll to view an up-to-date list of major film hubs](#) where cameras are rolling and within what parameters.

Stay healthy, be innovative, work together!
